Dear Family,

Finally, a few weeks ago the date was confirmed by the Utah Park Service for the dedication of the HAILSTONE RECREATION AREA, Thursday, June 29, 1995, at 9:00 a.m. Several camp sites and RV hook-ups are reserved under the name, HAILSTONE. If you plan to camp over-night Wednesday evening, please arrive by 6:00 p.m. Check at the Information Center before 7:00 p.m. (see map of Recreation Area)

This site is a 400 acre plot on the west shores of the new JORDANELLE RESERVOIR. The boat ramp and surrounding camp sites constitute the largest recreation area in Utah. All the family facilities, trails, etc. have been exceptionally well planned. The lake covers the historic Hailstone Ranch.

Motel accommodations can be conveniently found in Heber, Park City and Salt Lake City. Driving time from Salt Lake to Mayflower Exit is 35 minutes. From Heber City or Park City: ten minutes.

After the dedication ceremony there will be balloon rides and other enjoyable festivities planned by the Park Service.

We are expecting the families of WILLIAM HAILSTONE AND ANN DAVIS:

Emily Hailstone and Joseph Morris Family  
Elizabeth Hailstone and Waldemar Henrick Petersen Family  
Martha Ann and Thomas Conway Morris Family  
\*Stephen Hailstone and Jane Maria Lufkin Family

WELCOME TO THE FAMILY NAMESAKE! An RSVP is NOT necessary, but I would enjoy hearing from you. Please share these pages with your married children.
